Does your child have an IEP, a 504, or receive other services  
through the special education department?  
Then you need to be at the next SEPAG meeting!

Students need parents to get involved and provide input. We invite you to join our Special Education Parent Advisory Group (SEPAG) which gives parents the opportunity to provide input to the school and receive advice regarding matters pertaining to special education.

Be Involved. Be Heard. Be Informed.
