

IEP Workshop

What Every Parent Needs to Know

Essential Components of the IEP

This comprehensive workshop will examine the essential components of an IEP, its development, and the breakdown of each section to enhance understanding of how it supports students. Strategies to create IEPs with measurable annual goals as well as the required information regarding student progress will be reviewed.

Topics include:

- Parent / Student input & participation
- Parental Consent
- Placement and Related Services
- Writing measurable goals
- Accommodations & Modifications
- Strengths and Concerns
- Prior written notice
- Procedural safeguards and more!

In person workshop

Parents are encouraged to bring your child's IEP with you

Light refreshments will be served.
Raffle prize Giveaway!
Prizes donated by the EWEA
